"Albert Einstein" = 153

The main goal is to explain Biblical numbers with a slight "French touch" through a few fragments extracted from the main chapter dedicated to the number 153. But many remarks and paragraphs have been erased from the original pages as far as they only can be understood in French, including *meaning*, *sound* and something that could be called "*logometry*".

" [...] *And the waters prevailed on the earth a hundred and fifty days. And God remembered*

Noah, and all the animals, and all the cattle that were with him in the ark; and God made a wind to pass over the earth, and the waters subsided. And the fountains of the deep and the windows of heaven were closed, and the pour of rain from heaven was stopped. And the waters retired from the earth, continually retiring; and **in the course of** a hundred and fifty days the waters abated. And the ark rested in the **seventh** month, on the **seventeenth** day of the month, on the mountains of Ararat. ([Genesis](#) 7/24 and 8/1-4).

If **A** = 1, **B** = 2, **C** = 3...

" **Jesus Christ** " = 151

" **Holy Spirit** " = 151

" **PATER NOSTER** " = 151

Quite often through the Holy Scriptures, numbers appear to be explicative, just like watermarks, even if they stand as 90% hidden icebergs by the surrounding waters. With these Genesis' verses, it's suggested with [Genesis](#) 7/24 that a week is **seven** days and a day 24 hours long. The **seventh** hour of the **seventh** day is also the **151st** hour of the same week. And through these words, it's quite obvious that Our World "restarted" on a **151st** Day. " **Holy Spirit** " = 151 is translated from the French " **Saint-Esprit** " = 150

Due to the French (UE) Summer time, the **153rd** hour of the week according to a clock is at the same "time", the **151st** "sun" hour.

That's a short cut to prove how much numbers **151** and **153** are intimately linked to Our Lord **Jesus-Christ** and the **Church Rapture**. The 1st of June 2000, closing the last 20th Century and Second Millenary at the same time, was both the "feast of Ascension" and the "**153rd**" Day of the year...

[Daniel](#) 5/7 and 5/14-16

[144th verse] 7 *The king cried aloud to bring in the astrologers, the Chaldeans, and the soothsayers. And the king spake, and said to the wise men of Babylon, Whosoever shall read this writing, and shew me the interpretation thereof, shall be clothed with scarlet, and have a chain of gold about his neck, and shall be the third ruler in the kingdom.*

[151^{rst} verse] 14 *I have even heard of thee, that the spirit of the gods is in thee, and that light and understanding and **excellent wisdom** is found in thee.*

[144th verse] 15 *And now the wise men, the astrologers, have been brought in before me, that they should read this writing, and make known unto me the interpretation thereof: but they could not shew the interpretation of the thing:*

[153rd verse] 16 *And I have heard of thee, that thou canst **make interpretations**, and **dissolve doubts**: now if thou canst **read the writing**, and **make known** to me the interpretation thereof, thou shalt be clothed with scarlet, and have a chain of gold about thy neck, and shalt be the third ruler in the kingdom.*

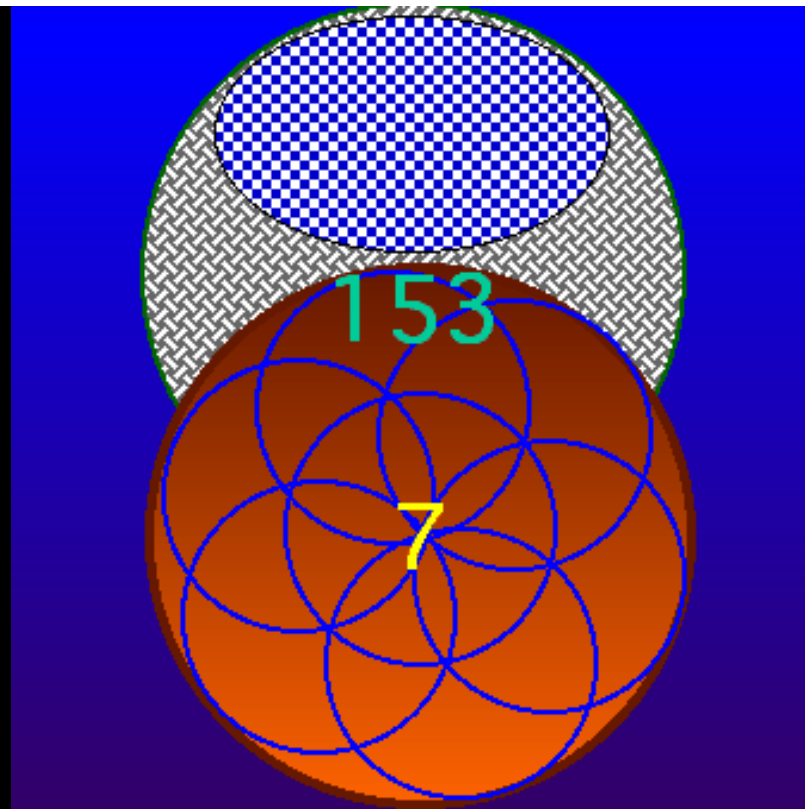

Such arrangements of opposed meanings are self explicative and don't need to be commented.

153153...

153153 is the **smallest abundant odd** ending with the number 3.

153153, 351351, 513513 are all **abundant odds**.

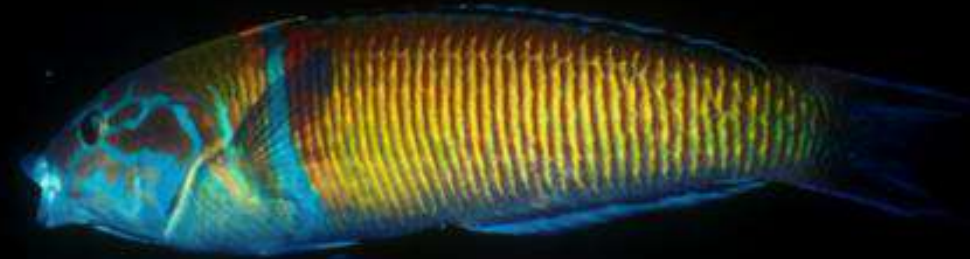

153 fishes in a net caught by 7 fisher-apostles

" [...] After these things Jesus manifested himself again to the disciples at the sea of Tiberias. And he manifested himself thus. There were together Simon Peter, and Thomas called Didymus, and Nathanael who was of Cana of Galilee, and the sons of Zebedee, and two others of his disciples. Simon Peter says to them, I go to fish. They say to him, We also come with thee. They went forth, and went on board, and that night took nothing. And early morn already breaking, Jesus stood on the shore; the disciples however did not know that it was Jesus. Jesus therefore says to them, Children, have ye anything to eat? They answered him, No. And he said to them, Cast the net at the right side of the ship and ye will find. They cast therefore, and they could no longer draw it, from the multitude of fishes. That disciple therefore whom Jesus loved says to Peter, It is the Lord. Simon Peter therefore, having heard that it was the Lord, girded his overcoat on him (for he was naked), and cast himself into the sea; and the other disciples came in the small boat, for they were not far from the land, but somewhere about two hundred cubits, dragging the net of

fishes. When therefore they went out on the land, they see a fire of coals there, and fish laid on it, and bread. Jesus says to them, Bring of the fishes which ye have now taken. Simon Peter went up and drew the net to the land full of great fishes, a hundred and fifty-three; and though there were so many, the net was not rent. ([John](#) 21/1-11).

153 days and 7 months constitute a whole year as far as, July, the Seventh month ends at 153 days from the end of a (overleap or not) Year. Just remember: *the seventh month, on the seventeenth day of the month, on the mountains of Ararat. ([Genesis](#) 8/4)...*

" [...] Again, the kingdom of heaven is like unto a **net**, that was cast into the sea, and gathered of every kind: 48 Which, when it was full, they drew to shore, and sat down, and gathered the good into vessels, but cast the bad away. So shall it be at the end of the world: the angels shall come forth, and sever the wicked from among the just, 50 And shall cast them into the furnace of fire: there shall be wailing and gnashing of teeth... ([Matthew](#) 13/47-50)

This **NET** is **INTERNATIONAL** or an "**INTERNET**" to put it in other words...

John the Evangelist in Patmos

" [...] *Now there was leaning on Jesus' bosom one of his disciples, **whom Jesus loved**.* ([John](#) 13/23)

" [...] *Then she runneth, and cometh to Simon Peter, and to the other disciple, **whom Jesus loved**, and saith unto them, They have taken away the Lord out of the sepulchre, and we know not where they have laid him.* ([John](#) 20/2)

" [...] *Therefore that disciple **whom Jesus loved** saith unto Peter, It is the Lord. Now when Simon Peter heard that it was the Lord, he girt his fisher's coat unto him, (for he was naked,) and did cast himself into the sea.* ([John](#) 21/7)

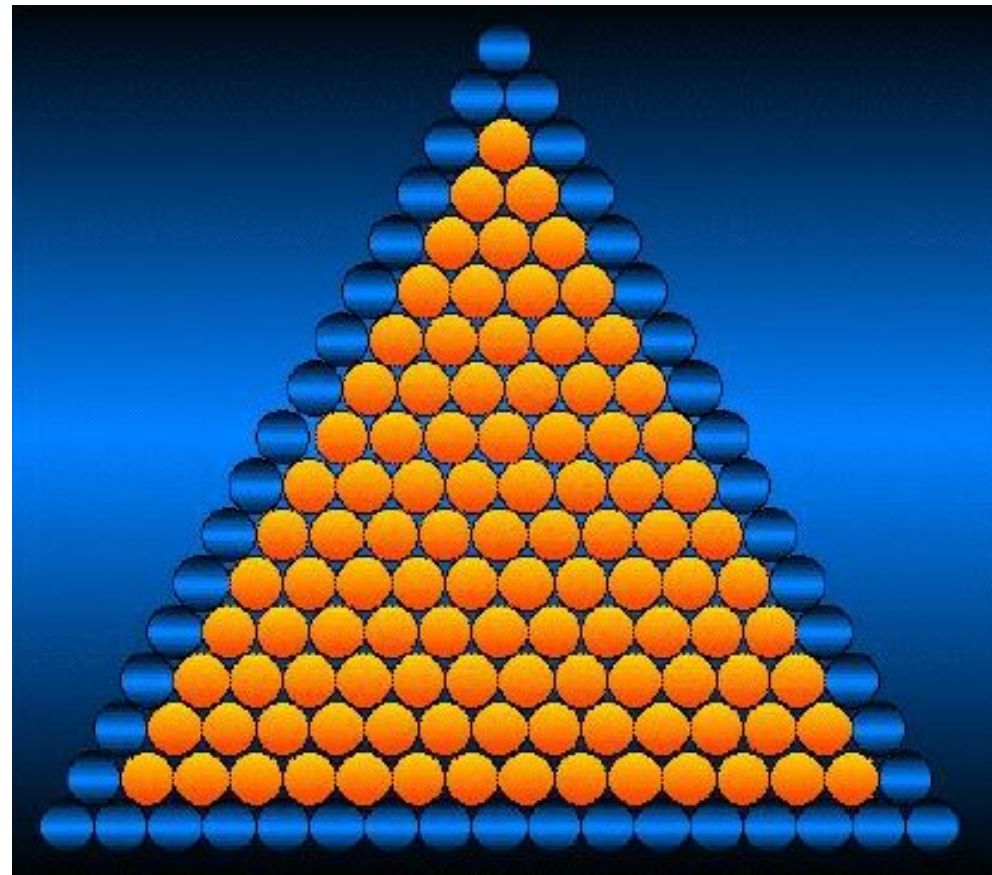

" [...] *Then Peter, turning about, seeth **the disciple whom Jesus loved** following; which also*

leaned on his breast at supper, and said, Lord, which is he that betrayeth thee? ([John](#) 21/20)

"the disciple whom Jesus loved"...

The special **Jesus' love** for His disciple John is repeatedly quoted in many verses and it cannot be considered as due to a pure hazard but rather as a specific emphasis. Consequently, if Our Lord has shown this special relation with John, we must pay a closer attention to the fact that numbers **153** and **666** are specifically treated by John throughout his writings in the New Testament. It's part of the disclosure of Daniel's former **sealed** writings who once declared:

" [...] But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased. ([Daniel](#) 12/4)

As follows...:

The addition also called "Pythagorician sum" of the first 17 numbers gives **153**;

$$1 + 2 + 3 + 4 + 5 + 6 + 7 + 8 + 9 + 10 + \dots + 17 = \mathbf{153}$$

or

$$17 \times 9 = \mathbf{153}$$

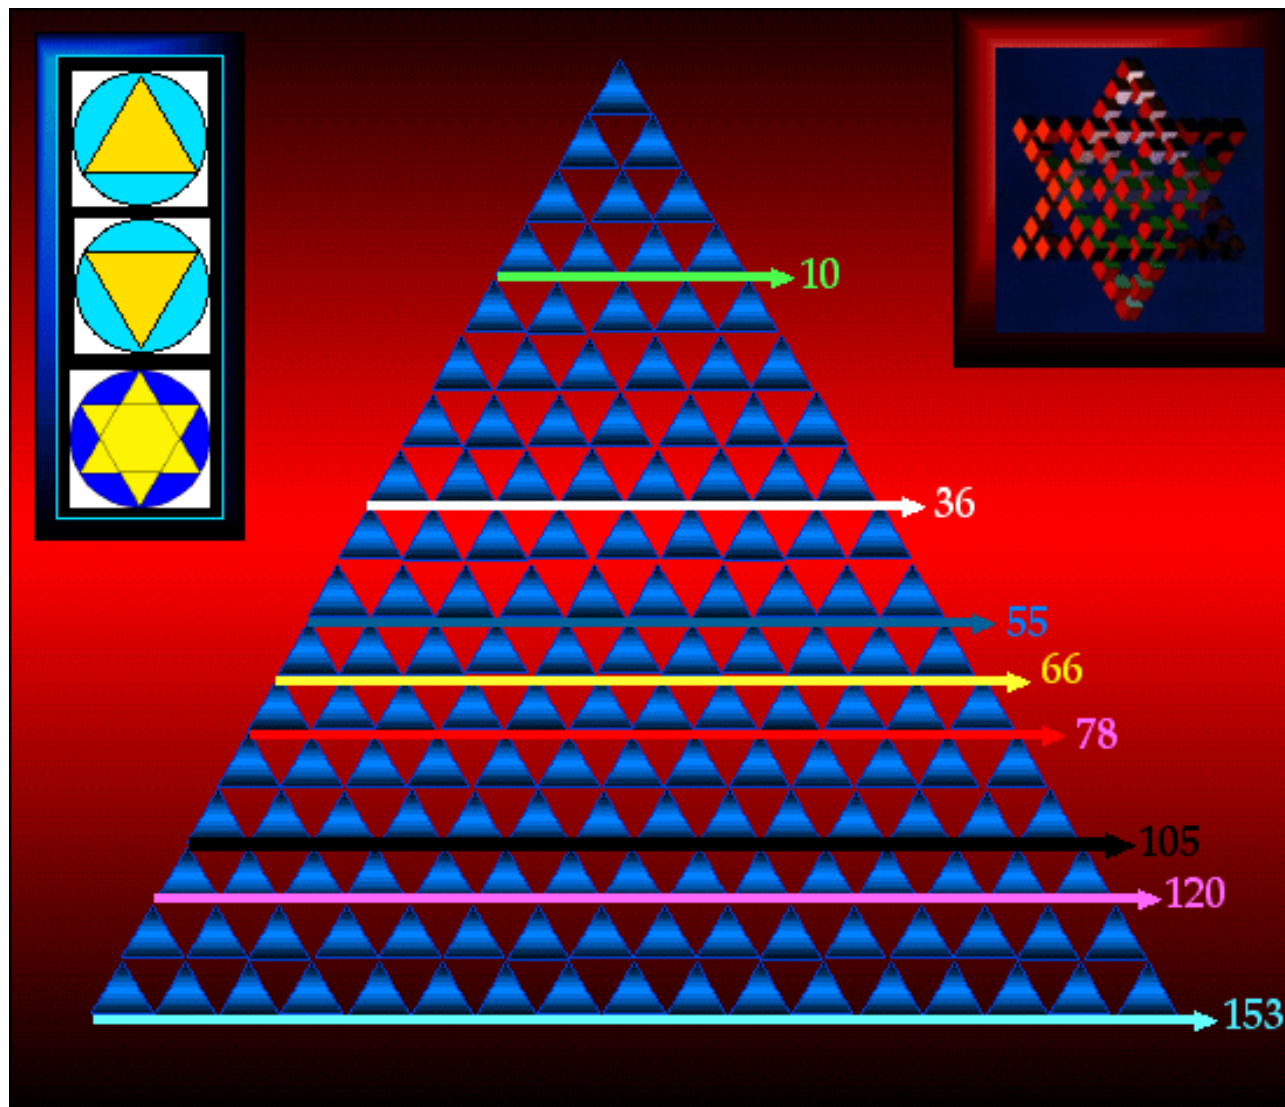

and

$$\mathbf{153} + 17 = 170$$

As far as $9 = \mathbf{1} + \mathbf{5} + \mathbf{3}$

$\mathbf{1} + \mathbf{5} + \mathbf{3} = 9 = (3)^2$ and the sum of all dividers of number **153** delivers a new perfect square number as far as:

$$1 + 3 + 9 + 17 + 51 = 81 = (9)^2$$

The David Star is not Biblical with its occult origins. It's constituted with two equilateral triangles. This equilateral triangle is built with **153** equilateral triangle elements revealing 17 triangles on each side.

$$6: 1 + 2 + 3 = 1 \times 2 \times 3 = 6$$

10: Pythagore's Tetractys or "TOP TEN" (10 horns) ruled by the 11th horn (Antichrist).

36: The addition of the first 36 numbers from 1 to 36 gives **666**.

55: 11 x 5. Satan = 55. (Antichrist is the 11th horn = rebellion) See WTC 9/11 and president Bu\$h with his 55 Gulf War II cards game.

66: 66 Bible books

78: 78 Tarot cards. See president Bu\$h's Gulf War II Declaration on the 78th day of 2003.

105: 105 days = 2520 hours, 2520 being a symbolical number of the "Great Tribulation" and/or "Day of The Lord".

120; 120 years during which Noah built his ark.

Several other number **120** quotations can be located in the scriptures. Moses was **120** years old when he died ([De](#) 34/7), Hiram had sent **120** golden talents to the King ([1 Kings](#) 9/14), The Queen of Seba gave **120** to Salomon ([1 Kings](#) 10/10), There were **120** trumpet sounding sacrificators ([2 Ch](#) 5/12)...

" [...] *And she gave the king an **hundred and twenty** talents of gold, and of spices very great store, and precious stones: there came no more such abundance of spices as these which the queen of Sheba gave to king Solomon.* ([1 Kings](#) 10/10).

" [...] Also at the same time Solomon kept the **feast seven days**, and all Israel with him, a very great congregation, from the entering in of Hamath unto the river of Egypt. ([2 Chron.](#) 7/8)

Those indications are quite precious if we consider that **the queen of Sheba gave an hundred and twenty talents of gold to king Solomon**, which used to get **six hundred and threescore and six talents of gold** per year.

" [...] Now the weight of gold that came to Solomon in one year was **six hundred threescore and six talents of gold**, ([1 Ki](#) 10/14)

" [...] Now the weight of gold that came to Solomon in one year was **six hundred and threescore and six talents of gold**; ([2 Ch](#) 9/13)

Important remark:

" [...] for it is the **number** of a man; and his **number** is **Six hundred threescore and six**. ([Revelation](#). 13/18)

The word "**number**" is repeated twice in this section.

" [...] Car c'est un **nombre** d'homme, et son **nombre** est **six cent soixante-six**. ([Revelation](#) 13/18).

These letters, when translated into French, give a total amount of exactly **666**.

" [...] Let us be glad and rejoice, and give honour to him: for the **marriage of the Lamb** is come, and his wife hath made herself ready. And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints. And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of God. ([Revelation](#). 19/7-8).

These **feast seven days** and **six hundred and threescore and six talents of gold** are quite representative of the **marriage of the Lamb** during the seven years long week Tribulation.

" [...] *And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God.* ([Revelation](#) 15/2)

This verse 15/2, between **15/1** and **15/3** is quite capital as far as that there are only **153** verses left up to the end of the Bible.

" [...] *And they sing the song of Moses the servant of God, and the song of the Lamb, saying, Great and marvellous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints.* ([Revelation](#) **15/3**)

That simply means that this verse **15/3** is also verse [-**153**]!

4 *Who shall not fear thee, O Lord, and glorify thy name? for thou only art holy: for all nations shall come and worship before thee; for thy judgments are made manifest.*

5 *And after that I looked, and, behold, the temple of the tabernacle of the testimony in heaven was opened:*

and verse 15/5 is also verse [-**151**]!

Resulting from a mirroring addition, **153** + **351** = 504 and $(504)^2 = 288 \times 882$, we get these two mirror numbers.

153 and **351** are respectively the sum of the 17 and **26** first numbers. Our alphabet is composed of **26** letters and this square number $(504)^2$ stands as the smallest which enable to get two inverted numbers.

153 is also divisible by its own components sequence just as follows:

153 / [**1+5+3**] = 17 and, as it can be checked on the Pascal triangles picture, one of the inverted sequence components divided by the remaining two other components, gives **153** = **3** x **51**

- ➡ The simple addition of the vowels extracted from the name of **Jesus-Christ** gives **e-u = 26** and **i = 9**
- ➡ The **26th** of the **9th** month is also the **269th** day of a (non overleap) year.
- ➡ **26** letters and **9** figures enable anyone to make a copy of a whole Bible.

Permutations of **153** allow 6 different possible permutations, with equivalencies such as:

$$\mathbf{153} + 315 + 531 = \mathbf{999} = 351 + 135 + 513$$

And naturally: $\mathbf{153} + 315 + 531 + 351 + 135 + 513 = 1998 = \mathbf{666} + \mathbf{666} + \mathbf{666}$

We'll come back on that subject...

46 = 1081	47 = 1128	48 = 1176	49 = 1225	50 = 1275

- One can notice that if 17 is a triangular root number of 153, 26 is also a triangular root number of the reversed number 351.

$$[17] = [1]^4 + [2]^4$$

$$[17]^3 = 4913 \text{ and } 4+9+1+3 = 17$$

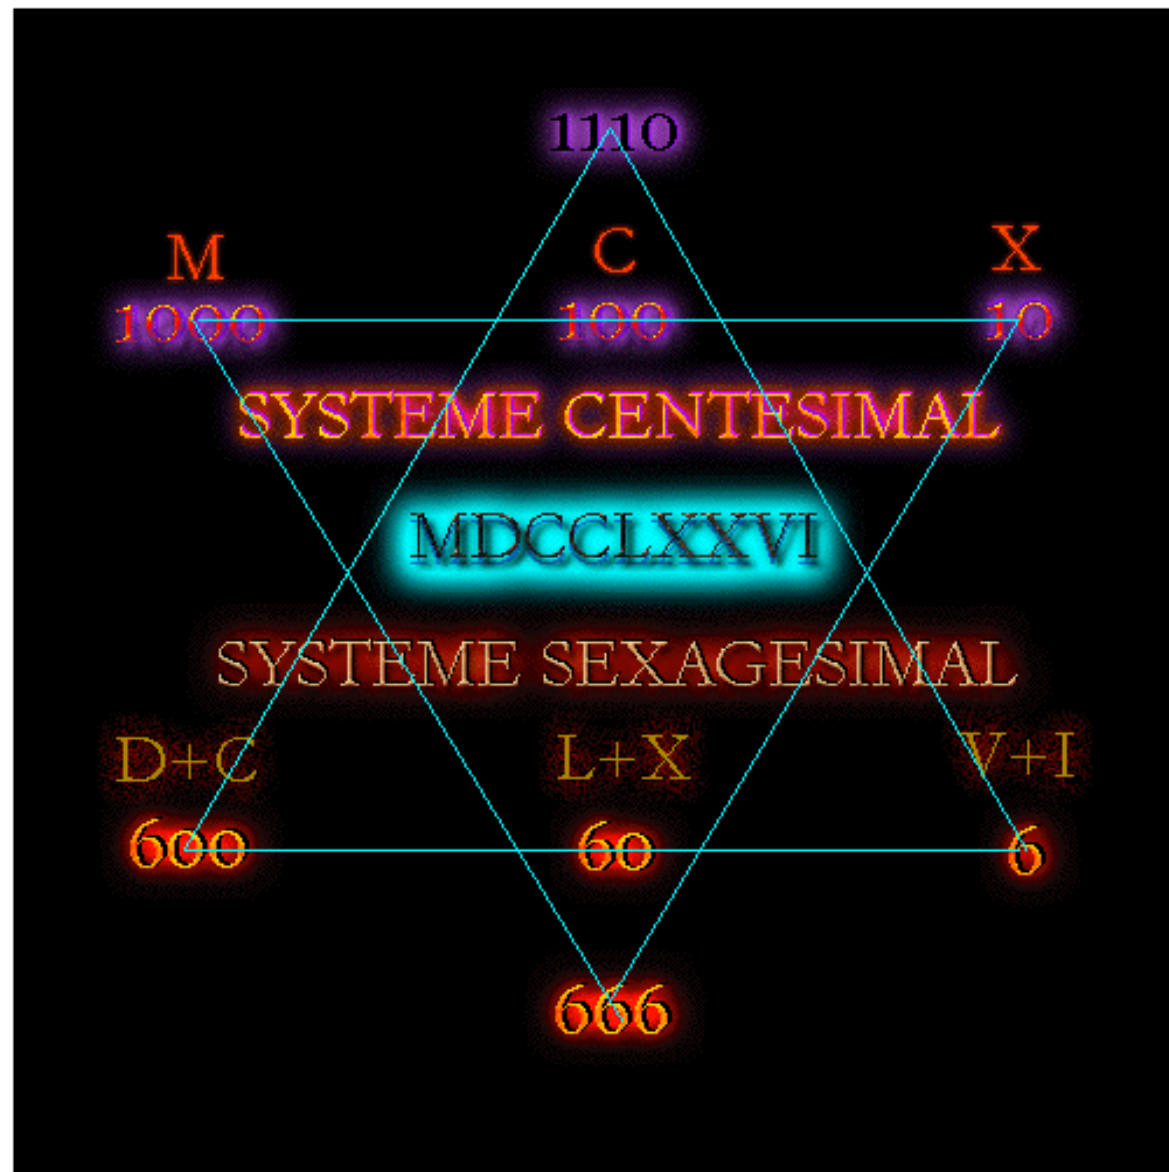

and coming back to 170;

$$170 : 1110 = 0, 153 \ 153 \ 153 \dots = 102 : 666$$

Pyramid on the American 1\$ dollar Bill

This number 1110 is underlined on the occult (MDCCLXXVI) 1776 **one dollar Bill** Great Seal as far as $1110 + 666 = 1776$ (see tables and pictures which speak for themselves at [US great Seal part I](#), [II](#) and [III](#) French pages) and converting 1110 from a sexagesimal into a centesimal system, in other words from a former Babylonian to a modern Occidental one, we get $1110 \times 0.60 = 666$

- The U.S. Great Seal has been created on the 1st of May 1776, a [1 - 5 - 3] combination because $1+7+7+6 = 21$ and $2+1 = 3$ according to the French dating system – The occult roots are easily traceable through simple equivalencies such as:

$$666 : 2 = 222 \text{ and } 1998 = 666 \times 3$$

$$153 + 153 + 360 + 666 + 666 = 1998 = 666 + 666 + 666$$

$$153 + 315 + 531 + 351 + 135 + 513 = 1998 = 666 + 666 + 666$$

1776 + 153 = 1929 or a planned Economical Crisis.

Daniel's week is 2595 days long.

" [...] *Blessed is he that waiteth, and cometh to the thousand three hundred and thirty-five days!* ([Daniel](#) 12/12)

1260 days + 1335 days = 2595 days

$$2595 - 666 = 1929$$

11th of September...

A simple date reveals more about many eschatological "events" such as the WTC lie and the true meaning of the green enslaving chain-key marked "dolor" bank note, known as **the "dollar"**.

360°, the measure of a circle, after a simple permutation, 360 ==> 306, allows to write:

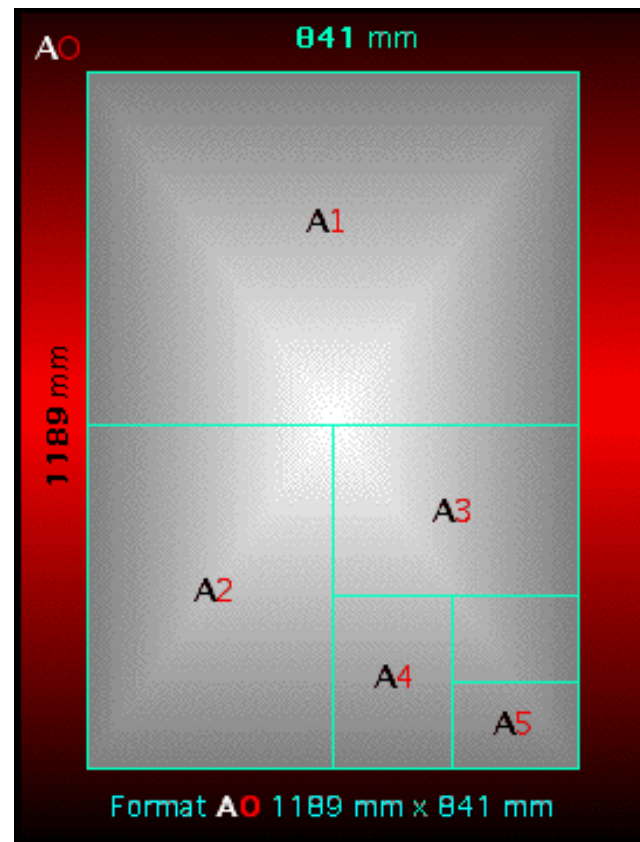

$$360 + 306 = 666 = 153 + 360 + 153$$

or

$$666 = 153 + 153 + 54 + 153 + 153$$

and to make it simpler, another permutation gives;

$$666 = 153 + 513$$

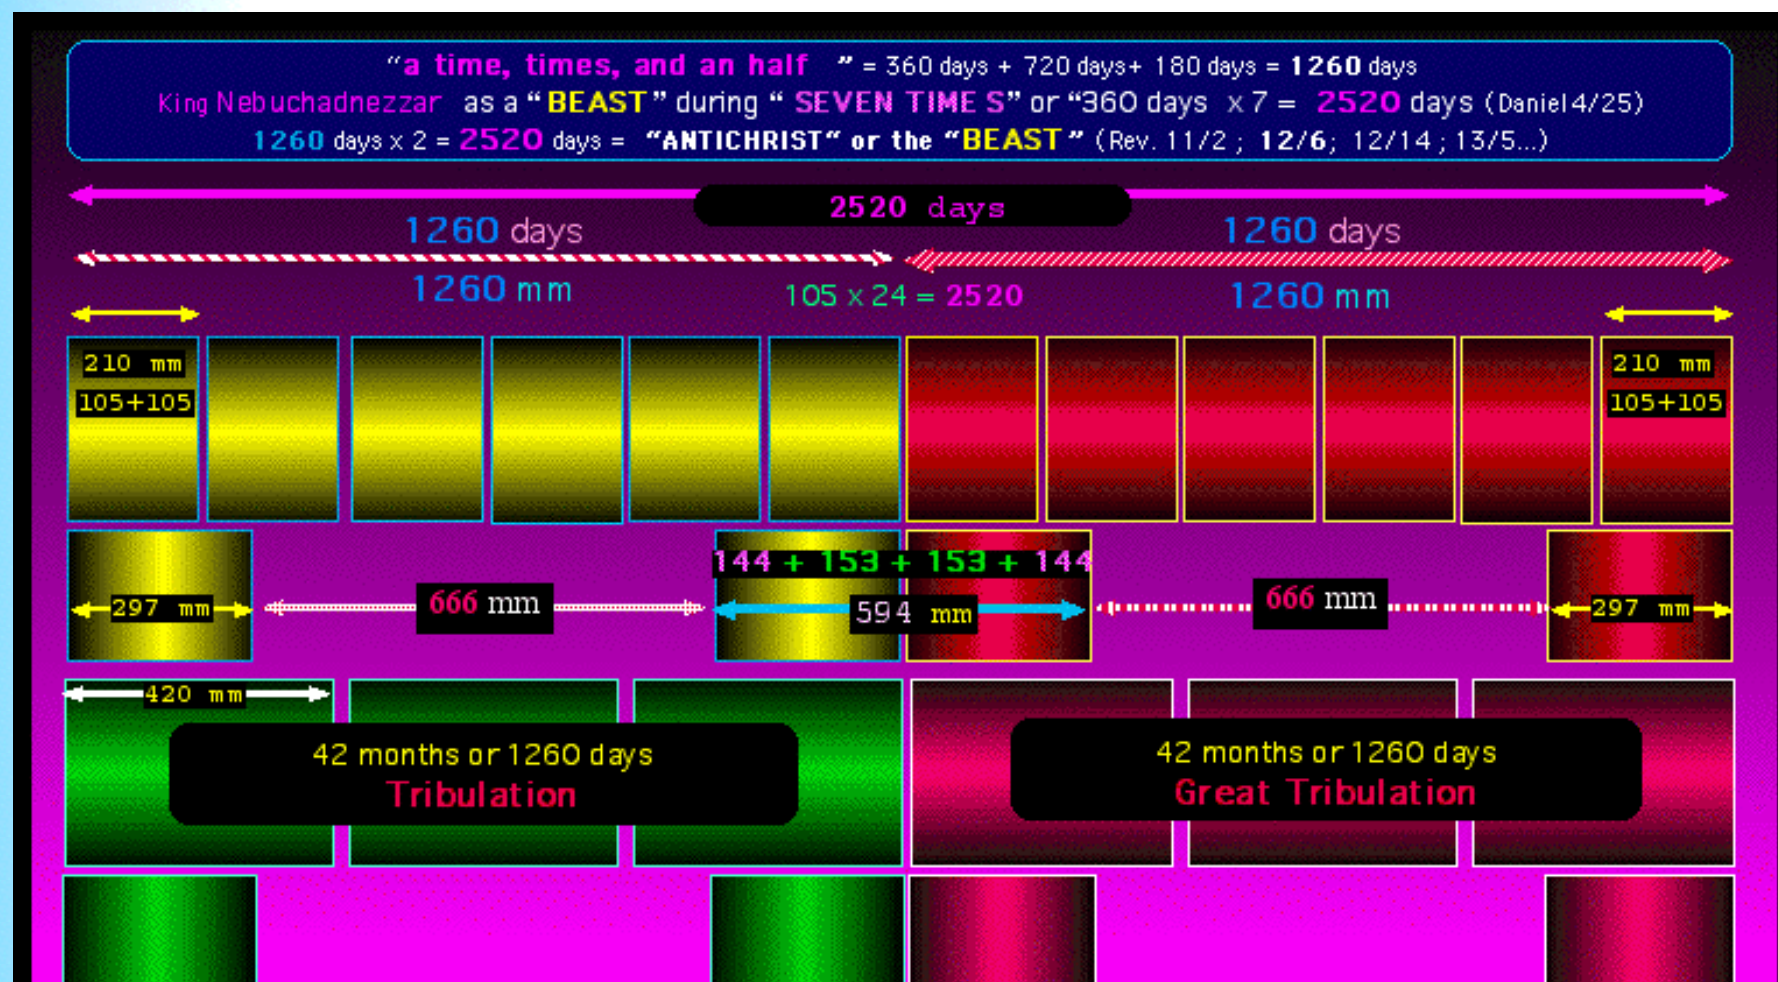

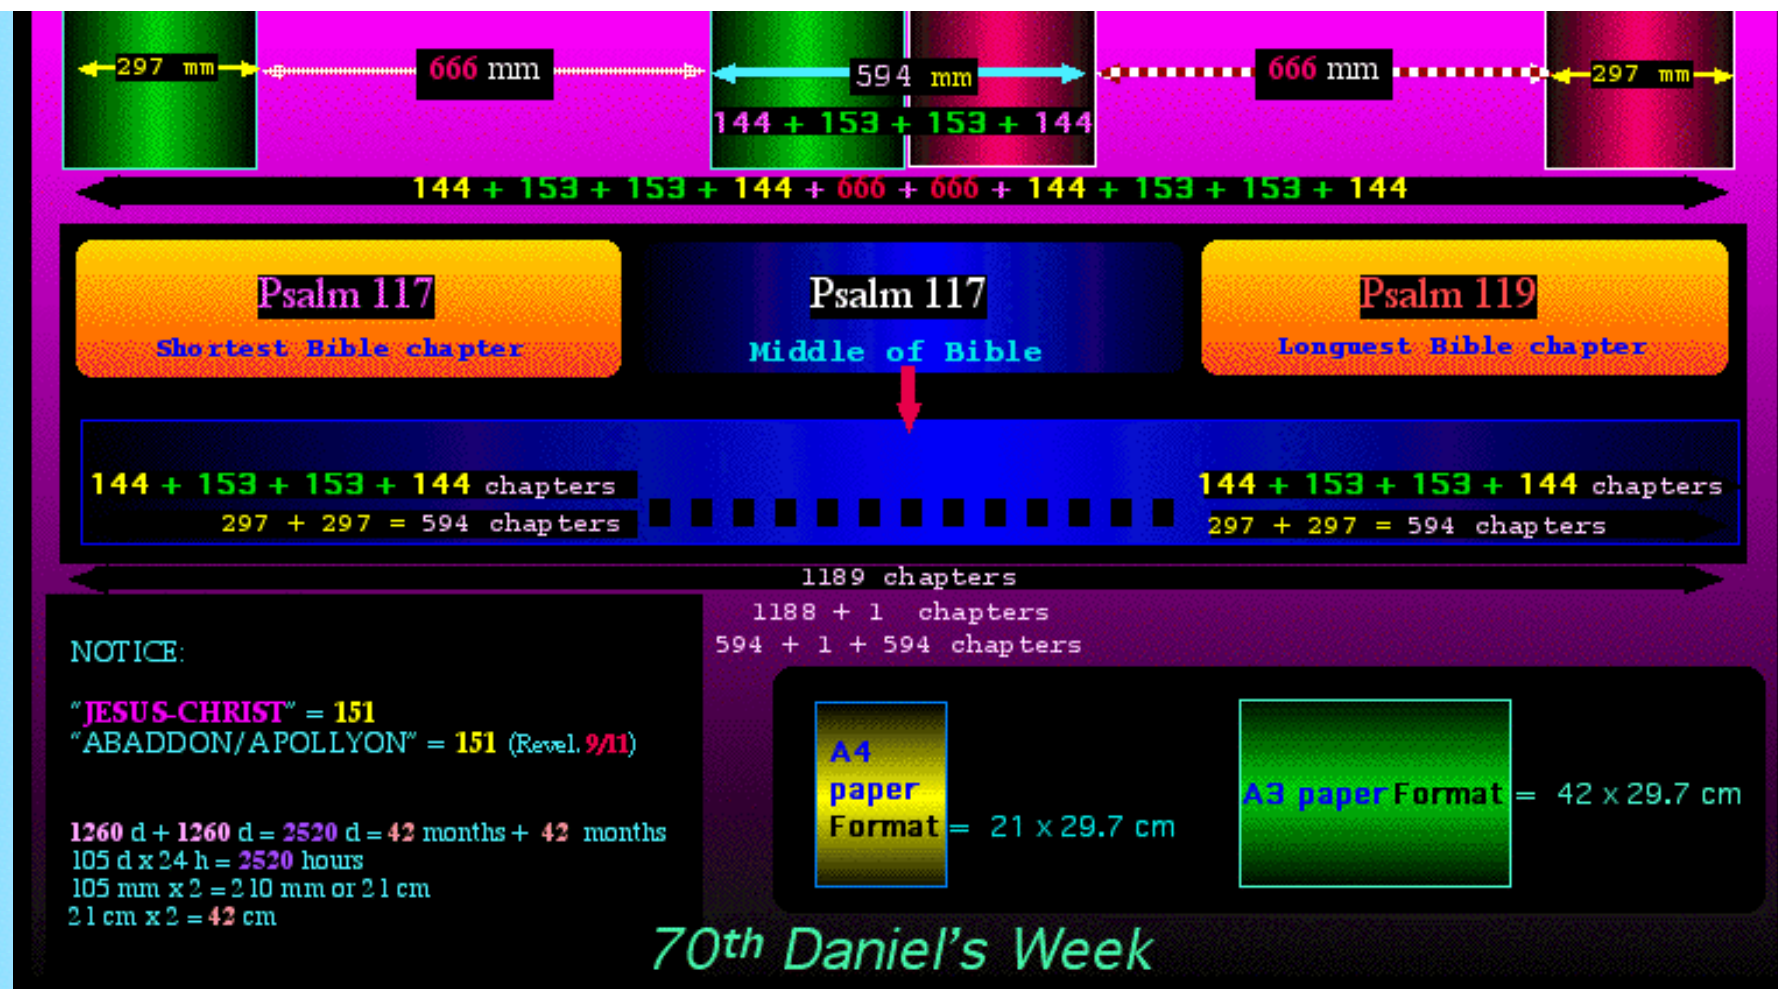

The whole Bible OT + NT being composed of **1189** chapters, it's interesting to note that the standardised **ISO A0** paper Format with a surface of 1 square meter is normalised to a **1189** mm x 841 mm surface.

According to Daniel's and John's calculations in their writings, the **Tribulation Week** of (360 days) 7 Years is composed of **1260** days x 2 = 2520 (+ a special transitory period of 75 days for Daniel as seen before). Our French 21 x 29.7 **A4** paper format, after conversion into 210 mm x **297** mm reveals these

eschatological measures:

- ➡ Six vertically set **A4** paper sheets reach $210 \text{ mm} \times 6 = 1260 \text{ mm}$
- ➡ Two horizontally set **A4** paper sheets occupy $297 \text{ mm} \times 2 = 594 \text{ mm}$ in space and $594 + 666 = 1260$
- ➡ Three vertically set **A3** paper sheets reach $420 \text{ mm} \times 3 = 1260 \text{ mm}$
- ➡ Two horizontally set **A3** paper sheets occupy $297 \text{ mm} \times 2 = 594 \text{ mm}$ in space and $594 + 666 = 1260$

We notice that:

" [...] *And he measured the wall thereof, an **hundred and forty** and four cubits, according to the measure of a man, that is, of the angel.* ([Revelation](#) 21/17)

This number has many distinctive features:

First example:

$$(1)^3 + (5)^3 + (3)^3 = 1 + 125 + 27 = 153.$$

Only three other numbers have this distinctive feature :

$$370 = (3)^3 + (7)^3 + (0)^3 = 27 + 343 + 0$$

$$371 = (3)^3 + (7)^3 + (1)^3 = 27 + 343 + 1$$

$$407 = (4)^3 + (0)^3 + (7)^3 = 64 + 0 + 343$$

Permutations will give:

$$370 + 307 + 703 + 730 + 037 + 073 = 2220$$

$$2220/6 = 370$$

$$371 + 317 + 137 + 173 + 713 + 731 = 2442$$

$$2442/6 = 407$$

$$407 + 470 + 047 + 074 + 704 + 470 = 2442$$

$$2442/6 = 407$$

664 =	$[6]^3 + [6]^3 + [4]^3$	
	216 + 216 + 64	= 496
496 =	$[4]^3 + [9]^3 + [6]^3$	
	64 + 27 + 216	= 307
307 =	$[3]^3 + [0]^3 + [7]^3$	
	27 + 0 + 343	= 370...
370 =	$[3]^3 + [7]^3 + [0]^3$	
	27 + 343 + 0	= 370...

The second temple has been destroyed by Titus in 70 A.D.

$$70 = (7)^3 + (0)^3 = 343 + 0$$

$$(3)^3 + (4)^3 + (3)^3 = 118$$

$$(1)^3 + (1)^3 + (8)^3 = 514$$

$$(5)^3 + (1)^3 + (4)^3 = 190$$

$$(1)^3 + (9)^3 + (0)^3 = 730$$

$$(7)^3 + (3)^3 + (0)^3 = 370$$

➡ The sum of all dividers of the number 70, including 70 itself, amounts to 144 as follows:

$$1 + 2 + 5 + 7 + 10 + 14 + 35 + 70 = 144$$

Another example with 2003 reveals the terminal number 371:

$$\begin{aligned}
 (2)^3 + (0)^3 + (0)^3 + (3)^3 &= 8 + 0 + 0 + 27 = 35 \\
 (3)^3 + (5)^3 &= 27 + 125 = 152 \\
 (1)^3 + (5)^3 + (2)^3 &= 1 + 125 + 8 = 134 \\
 (1)^3 + (3)^3 + (4)^3 &= 1 + 27 + 64 = 92 \\
 (9)^3 + (2)^3 &= 729 + 8 = 737 \\
 (7)^3 + (3)^3 + (7)^3 &= 343 + 27 + 343 = 713 \\
 (7)^3 + (1)^3 + (3)^3 &= 343 + 1 + 27 = \mathbf{371} \text{ et } (3)^3 + (7)^3 + (1)^3 = \mathbf{371}
 \end{aligned}$$

with increasing value of $[(\cdot)^0 + (\cdot)^1 + (\cdot)^2]$ exponents, we can write:

$$(1)^0 + (5)^1 + (3)^2 = 1 \times 5 \times 3$$

and

$$(1)^0 + (5)^1 + (3)^2 = 15$$

$$(1)^1 + (5)^2 + (3)^3 = 53$$

" [...] *And the city lieth foursquare, and the length is as large as the breadth: and he measured the city with the reed, twelve thousand furlongs. The length and the breadth and the height of it are equal. And he measured the wall thereof, an hundred and forty and four cubits, according to the measure of a man, that is, of the angel.* ([Revelation](#) 21/16-17)

The cube exponent is related to the New Celestial Jerusalem which is certainly shaped as a cube (and not as a dome or a pyramid, whose shapes are not present in the first and second temples).

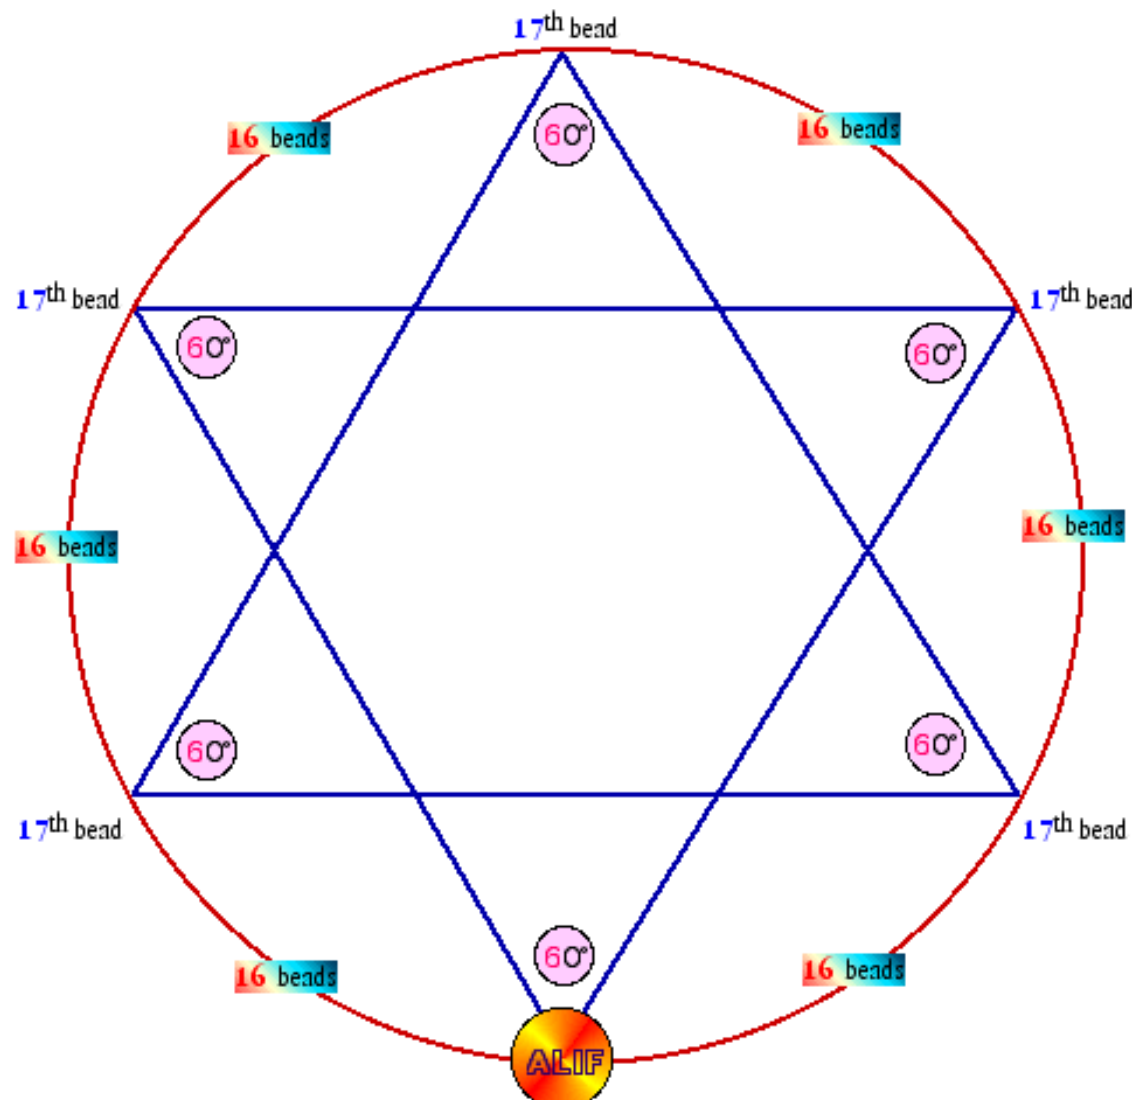

" [...] *And this is the fashion which thou shalt make it of: The length of the ark shall be three hundred cubits, the breadth of it fifty cubits, and the height of it thirty cubits. A window shalt thou make to the ark, and in a cubit shalt thou finish it above; and the door of the ark shalt thou set in the side thereof; with lower, second, and third stories shalt thou make it.* ([Ge](#) 6/15-16)

This word "*cubits*" is first quoted in the Genesis' **153rd** verse and the two last "*cubits*" occurrences are quoted in John's Gospel and his book of Revelation as follows:

" [...] *And the other disciples came in a little ship; (for they were not far from land, but as it were two hundred **cubits**,) dragging the net with fishes.* ([John](#) 21/8)

" [...] *And he measured the wall thereof, an hundred and forty and four **cubits**, according to the measure of a man, that is, of the angel.* ([Revelation](#) 21/17)

A Catholic Rosary (chaplet) is composed of **153** (non Biblical and highly parodying) beads and has been, through the crusades and religion wars, adapted from the 99 beads Muslim chaplet, the Muslim one being copied on the Tibetan 108 beads (skull pieces) chaplet.

Laying the Muslim chaplet with its 99 "operative" beads into a circle shape, we get six points and the composition of a David star. Number **666** stands behind **60°** angle measures and **16** beads sequences. (That's just a way to explain why men are claiming to fight in the Name of God but under the banner of Satan in reality. The mysterious and enigmatic crop circles are full of such subliminal infamous suggestions). This figure shows the process of (continuous) counting of "prayers" with 99 beads, (16 beads + 17th bead) 33 by 33 sequenced and separated by three "blank" beads including the symbolical ALIF in such a way that the loop has no beginning or/and no end.

$$153 \times 99 = 15147$$

This **151/153** connection is revealed through such quite simple calculations.

$$151 + 153 = 304 \text{ days}$$

This amount of 304 days, (non overleap years), reveals the "Feast" of Halloween during which children are "traditionally" (but unwillingly at first) entangled and involved. Witchcraft is the most suitable word to qualify this "feast".

The ASCII equivalencies table for the following numbers are;

$$[1 - 5 - 1] \text{ equivalent to } [49 + 53 + 49] = 151$$

$$[1 - 5 - 3] = [49 + 53 + 51] = 153$$

$$[1 - 0 - 8] = [49 + 48 + 56] = 153$$

$$[1 - 3 - 5] = [49 + 51 + 53] = 153$$

$$[1 - 4 - 4] = [49 + 52 + 42] = 153$$

$$[2 - 1 - 6] = [50 + 49 + 54] = 153$$

French book front cover :

"Le martin pêcheur"

by Marie Claude & Jean-Gilles Baillet

Two words extracted from the French Dictionary "*oiseau*" ("bird") and "*Christ*" are absolutely unique as far as they are respectively composed of 5 vowels and one single consonant or 5 consonants and one single vowel. A bird name like "*martin-*

pêcheur ("King Fisher") corresponds to an inserted 151 numerical sequence "75 + 76". This bird is traditionally attached to John the Apostle.

Jesus-Christ ("74 + 77") is both a King and a Fisher.

Coming back to numbers 153 and 1776 which are connected to the US Dollar, we can add as follows:

$$(1)^3 + (7)^3 + (7)^3 + (6)^3 = 1 + 343 + 343 + 216 = 903$$

$$(9)^3 + (0)^3 + (3)^3 = 729 + 0 + 27 = 756$$

$$(7)^3 + (5)^3 + (6)^3 = 343 + 125 + 216 = 684$$

$$(6)^3 + (8)^3 + (4)^3 = 216 + 512 + 64 = 792$$

$$(7)^3 + (9)^3 + (2)^3 = 343 + 729 + 8 = 1080$$

$$(1)^3 + (0)^3 + (8)^3 + 0^3 = 1 + 0 + 512 + 0 = 513$$

$$(5)^3 + (1)^3 + (3)^3 = 153$$

$$(1)^3 + (5)^3 + (3)^3 = 153$$

The Greek alphanumeric value of JESUS = 888

888 =	$[8]^3 + [8]^3 + [8]^3$	
	512 + 512 + 512	= 1536
1536 =	$[1]^3 + [5]^3 + [3]^3 + [6]^3$	
	1 + 125 + 27 + 216	= 369
369 =	$[3]^3 + [6]^3 + [9]^3$	
	27 + 216 + 729	= 972
972 =	$[9]^3 + [7]^3 + [2]^3$	
	729 + 343 + 8	= 1080
1080 =	$[1]^3 + [0]^3 + [8]^3 + [0]^3$	
	1 + 0 + 512 + 0	= 513
513 =	$[5]^3 + [1]^3 + [3]^3$	
	125 + 1 + 27	= 153

All numbers which can be divided by 3 reach this result of this 153 specific process according to the same calculation method.

And as it could be expected, 666 does not escape to this "miraculous fishing" sign:

666 =	$[6]^3 + [6]^3 + [6]^3$	
	216 + 216 + 216	= 648
648 =	$[6]^3 + [4]^3 + [8]^3$	
	216 + 64 + 512	= 792
792 =	$[7]^3 + [9]^3 + [2]^3$	
	343 + 729 + 8	= 1080
1080 =	$[1]^3 + [0]^3 + [8]^3 + [0]^3$	
	1 + 0 + 512 + 0	= 513
513 =	$[5]^3 + [1]^3 + [3]^3$	
	125 + 1 + 27	= 153

Another particularity of this process reveals that any number lower than 2000 can generate a greater number during the calculating process progression. As a simple example, 99 will give:

99 =	$[9]^3 + [9]^3$	
	729 + 729	= 1458
1458 =	$[1]^3 + [4]^3 + [5]^3 + [8]^3$	
	1 + 64 + 125 + 512	= 702
702 =	$[7]^3 + [0]^3 + [2]^3$	
	343 + 0 + 8	= 351
351 =	$[3]^3 + [5]^3 + [1]^3$	
	27 + 125 + 1	= 153

Through this example, the intermediary 1458 is greater than the starting 99.

If we try to apply the same process to any number greater than 2000, we discover that it never happens anymore:

2001 =	$[2]^3 + [0]^3 + [0]^3 + [1]^3$	
	8 + 0 + 0 + 1	= 9

Or:

3009 =	$[3]^3 + [0]^3 + [0]^3 + [9]^3$	
	27 + 0 + 0 + 729	= 756
756 =	$[7]^3 + [5]^3 + [6]^3$	
	343 + 125 + 216	= 684
684 =	$[6]^3 + [8]^3 + [4]^3$	
	216 + 512 + 64	= 792
792 =	$[7]^3 + [9]^3 + [2]^3$	

		$343 + 729 + 8$	$= 1080$
$1080 =$	$[1]^3 + [0]^3 + [8]^3 + [0]^3$		
	$1 + 0 + 512 + 0$	$= 513$	
$513 =$	$[5]^3 + [1]^3 + [3]^3$		
	$125 + 1 + 27$	$= 153$	

From and over 2000, the treated intermediary numbers are always lower than the starting number. From 1 to 2000 there are exactly 666 numbers which match with that kind of operation!

Numbers added from 1 to 2000 = 2001.000, equivalent to 2001 x 1000 in another way.

With this particularity in mind, our Millenium has consequently a special "added" eschatological feature.

"M" is the 13rd letter of the alphabet and 13 is the number of rebellion and if we apply the same process:

$13 =$	$[1]^3 + [3]^3$	
	$1 + 27$	$= 28$
$28 =$	$[2]^3 + [8]^3$	
	$8 + 512$	$= 520$
$520 =$	$[5]^3 + [2]^3 + [0]^3$	
	$125 + 8 + 0$	$= 133$
$133 =$	$[1]^3 + [3]^3 + [3]^3$	
	$1 + 27 + 27$	$= 55$
$55 =$	$[5]^3 + [5]^3$	
	$125 + 125$	$= 250$
$250 =$	$[2]^3 + [5]^3 + [0]^3$	
	$8 + 125 + 0$	$= 133$

$$\begin{array}{rcl}
 133 & = & [1]^3 + [3]^3 + [3]^3 \\
 & & 1 + 27 + 27 \\
 & & = 55 \\
 55 & = & [5]^3 + [5]^3 \\
 & & 125 + 125 \\
 & & = 250 \\
 250 & = & [2]^3 + [5]^3 + [0]^3 \\
 & & 8 + 125 + 0 \\
 & & = 133...
 \end{array}$$

infernale circle!

It never ends...

1998 = **666** x 3 and considering the 360 degrees of a circle, we get as an equivalence for 1998:

$$153 + 153 + 360 + 666 + 666$$

The **6** (demoniac) so called "Our Lady" apparitions of Fatima started on the 13th of May 1917, 133rd day of that year. They occurred on each 13th day of June, July, August, September and finally October and lasted **153** days. Just parody, always parody!

Numbers, we have already seen, from 1 to 17 give **153**, and the integrated square prime numbers amount to **666** because:

$$\begin{array}{l}
 [2]^2 + [3]^2 + [5]^2 + [7]^2 + [11]^2 + [13]^2 + [17]^2 \\
 4 + 9 + 25 + 49 + 121 + 169 + 289 = 666
 \end{array}$$

Many Biblical expressions, in their original Greek alphanumeric value state associated to "*fishes*" and "*fishing*" can be divided by **153**:

Greek Words and expressions are multiple of **153** like: "*fishes*", "*the net*", = 1224 = **153** x 8,
 "*multitude of fishes*" = **153** x 16, "*fisher of men*" = **153** x 14, "*casting the net into the sea*" = **153** x
 20, etc.

The addition of the 17 first numbers amount to **153** and such a process being applied to our alphabet, we get **351** as a value for the 26th and last letter.

A = 1	B = 3	C = 6	D = 10	E = 15
F = 21	G = 28	H = 36	I = 45	J = 55
K = 66	L = 78	M = 91	N = 105	O = 120
P = 136	Q = 153	R = 171	S = 190	T = 210
U = 231	V = 253	W = 276	X = 300	Y = 325
Z = 351				

The Exponential ($n !$) values of the 5 first figures amount also to 153 :

<i>Figures</i>	<i>n !</i>	=	<i>total</i>
1	1	=	1
2	2	=	3
3	6	=	9
4	24	=	33
5	120	=	153

The calculation process is as follows:

$$1! = 1 \times 1 = 1$$

$$2! = 1 \times 2 = 2$$

$$3! = 1 \times 2 \times 3 = 6$$

$$4! = 1 \times 2 \times 3 \times 4 = 24$$

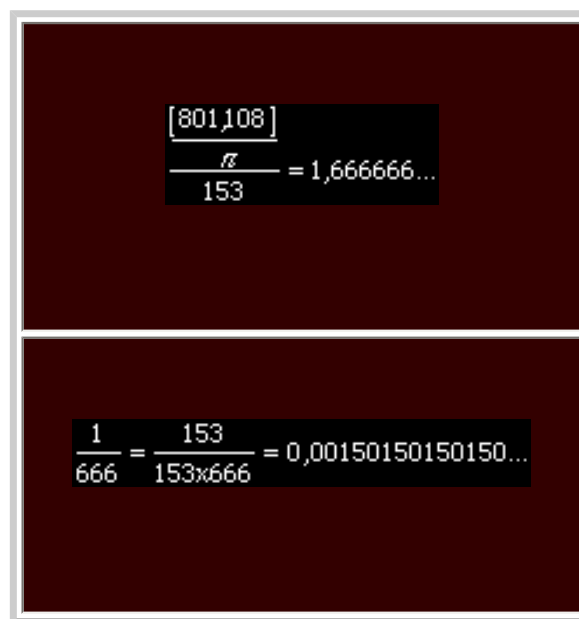

$$5! = 1 \times 2 \times 3 \times 4 \times 5 = 120$$

120 has already been treated with the 153 Pascal's triangle.

If, as a custom by Satanists, we reverse the alphabetical values of our 26 letters, we get
 "ANTECHRIST" = 153 according to the following table:

A = 26	B = 25	C = 24	D = 23	E = 22
F = 21	G = 20	H = 19	I = 18	J = 17
K = 16	L = 15	M = 14	N = 13	O = 12
P = 11	Q = 10	R = 9	S = 8	T = 7
U = 6	V = 5	W = 4	X = 3	Y = 2
Z = 1				

Other operations:

$$\frac{[801,108]}{153} = 1,666666...$$

$$\frac{1}{666} = \frac{153}{153 \times 666} = 0,00150150150150...$$

According to the French date system, every 9th year or 108th month, the 1st, 10th, 19th and 28th of May

correspond to [1-5-1] or [1-5-3] sequences... Such sequences, in the Anglo-Saxon system, would correspond to the 5th, 14th and 31st of January and October.

These sequences [1-5-3] have been available in 1947, 1956, 1965, 1974, 1983, 1992... 2001, and in the future 2010, 2019...

In 1956, an overleap year with 366 days, the 1st of May (+ 10th, 19th and 28th) built a sequence [1-5-3] and the 1st of June was the 153rd day of that year.

► According to an acceptable and probable tradition, it is said that Jesus' ministry lasted 153 weeks or 153 Sabbaths.

This number 153 is certainly linked to the symbolical total amount of "raptured" people and/or saved people since the beginning of humanity up to the Judgment and having access to *new heavens and a new earth*.

Extracted from the Revelation, the 153rd verse reveal a 150 to 153 days long period according to our Judeo-Christian calendar.

" [...] *And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man. And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.* ([Revelation](#) 9/9-10)

" [...] *And after those days his wife Elisabeth conceived, and hid herself five months, saying,*
([Luke](#) 1/24)

We are not really surprised to find this 150 to **153** days long period in another verse with John the baptist's mother *hiding herself five months*:

Non overleap year										Overleap year									
January	31	31								January	31	31

And, related to these "150/153" minimal and maximal values, just remember:

" [...] *And the waters prevailed on the earth a hundred and fifty days. And God remembered Noah, and all the animals, and all the cattle that were with him in the ark; and God made a wind to pass over the earth, and the waters subsided. And the fountains of the deep and the windows of heaven were closed, and the pour of rain from heaven was stopped. And the waters retired from the earth, continually retiring; and in the course of a hundred and fifty days the waters abated. And the ark rested in the **seventh** month, on the **seventeenth** day of the month, on the mountains of Ararat.* ([Genesis](#) 7/24 and 8/1-4).

The Torah is composed of the 5 first Bible Books ([Genesis](#) + [Exodus](#) + [Leviticus](#) + [Numbers](#) + [Deuteronomy](#)) with a total amount of $50 + 40 + 27 + 36 = 153$ chapters for the first four ([Genesis](#) + [Exodus](#) + [Leviticus](#) + [Numbers](#)). The first Book is composed of 1533 verses and the fourth Book, the Book of [Numbers](#)... is composed of 36 chapters and $1+2+3+4...35+36 = 666!$.

$$153 \times 12 = 1836 \text{ and } 108 \times 17 = 1836$$

1836 is linked to the following equivalence $18 \times 2 = 36$

In relation with numbers 108 and 144 we can develop a few particularities:

$$1836 \times 2 = 3672 \text{ and } 36 + 72 = 108$$

$$1 + 8 + 3 + 6 = 18 \text{ or } [6 + 6 + 6] \text{ and } 1 \times 8 \times 3 \times 6 = 144$$

151 is a prime number and "prime number" translated into French "nombre premier" alphanumerically adds to... 151.

If we write 151 ("one hundred and fifty one" = "cent cinquante et un") in French, we get the following result

c	e	n	t	c	i	n	q	u	a	n	t	e	e	t	u	n
3	5	14	20	3	9	14	17	21	1	14	20	5	5	20	21	14

The first 14 letters amount to 151 and the total of the 17 letters give 206.

The human skeleton is composed of 206 bones

" [...] *And he bearing his cross went forth into a place called the place of a skull, which is called in the Hebrew Golgotha:* ([John](#) 19/17) and ([Mt](#) 27/33) + ([Lu](#) 23/33)

c	e	n	t	c	i	n	q	u	a	n	t	e	t	r	o	i	s
3	5	14	20	3	9	14	17	21	1	14	20	5	20	18	15	9	19

The same calculation about number 153 ("*one hundred and fifty three*" = "*cent cinquante trois*") gives 227.

Considering the French dating system, we can analyze the following revealing sequences:

15th of March = 15/3

From this date 15/3, if we add 153 days, we get to the 15th of August, which is the (totally parodying and not Biblical) Roman Catholic feast of **Assumption**, a false Mary's "rapture into Heaven" never quoted in the Scriptures but related to the Babylonian Goddess known as the "Queen of Heaven". As for overleap years, this sequence is no more correct with 228 instead of 227 days.

"The **Assumption**" amounts to 153 in it's French translation "**l'Assomption**"... .

The 36 hours long **blackout** which first struck New York City during the night of that 227th day (with London 14 days later for a few hours at day break) and Rome on the 28th of September during the first Italian "white night" celebration, has been willingly set by the New World Order mongers as a world Masonic harbinger sign.

We have seen that the 1st of May 1776, was a [1 - 5 - 3] combination because $1+7+7+6 = 21$ and $2+1 = 3$ according to the French dating system.

$$1776 + 227 = 2003$$

227 years later, the 1st of May 2003, could be written 01/05/03 according to the French dating system.

The 1st of August 1850 was the +213rd [-153rd] day of that year and could be written 1.8.50

$$1850 + 153 = 2003$$

As a war monger or a peace bringer, Hitler was a Great Liar and the same process works actually with the same proficiency at the White House.

The year 2003 is incredibly full of events connected to the number 153.

01/05/03: official end of war in Iraq according to Mr Bu\$h's own words.

02/06/03: 50 years of Queen Elisabeth II's reign, crowned in 1953 on a 153rd day).

15/08/03: 15/3 + 153 days= total NYC blackout during the whole day!...

"**JESUS-CHRIST**" = $74 + 77 = 151$ and the 74th - 77th days of a 365 days year are the 15th - 18th of March.

They become the 75th - 78th days of a 366 days long year and $75 + 78 = 153$.

The first *computing* machine or "*computer*" was a wooden masterpiece made in the 17th Century by its creator, Blaise Pascal, both a French genius and a Christian. With this *computing* machine, "*La Pascaline*", Blaise Pascal popularized at the same time its operating system based on the "0/1" binary code which is still in use on our modern *computers*.

The word "*computer*" comes from an old French Middle Age verb "*Computer*" ("*to count*" in English) which gave finally "*compter*" in modern French. A "*computer*" is called "*ordinateur*" in French, deriving with this religious connotation from the verb "*ordonner*" which means "*to organize*" or "*to classify according to the rules of God*" in French. And "*ordonner un prêtre*" means "*to ordain a priest*". From an eschatological point of view, Internet as both a Network and an International Net is strongly attached to the French language.

A few days before President G. W. Bush's waging war and exporting chaos into Iraq in March 2003, many American barking blinded journalists spread all around trash articles about France and the French "coward" position. It seems that facts give reason to us and that a doomed Bush's generation is once more fatally trapped by another one! Babylon's identity has changed!

" [...] *Then said all the trees to the thorn-bush, Come thou, reign over us. And the thorn-bush said to the trees, If in truth ye anoint me king over you, come, put confidence in my shadow; but if not, fire shall come out of the thorn-bush and devour the cedars of Lebanon.* ([Jude](#) 14-15)

The "*thorn-bush*" is the right figure to be applied to the end-time Antichrist and a recapitulation of a few facts are self-explanative about this subject.

➡ The 2000 November/December US presidential elections fake lasted 36 days and $1+2+3+\dots+35+36 = 666$

" [...] *for it is the number of a man; and his number is Six hundred threescore and six.*
([Revelation](#) 13/18)

This verse, when translated into French as seen before, gives a total amount of 666.

➡ G. W. Bush was finally "elected" on the 13th of December 2000, 18 days before the end of a year, of a century and even a Millenary!

➡ The capture of Saddam Hussein on the 13th of December 2003, 36 months later, day for day, and its official announcement on the following day is just one trick more.

➡ This 14th of December 2003 was the 500th anniversary of Nostradamus' Birthday (14th of December 1503)...227 days after the 1st of May 2003 (01/05/03).

" [...] *The children of Adonikam, six hundred and sixty-six.* ([Ezr](#) 2/13)

" [...] *The children of Adonikam, six hundred and sixty-seven.* ([Ne](#) 7/18)

➡ This 14th of December 2003 was also the last day of the 667th month of Israel State's existence (14th of May 1948).

➡ Is it necessary to add that the 36 hours long blackout struck New York on the 15th of August, 227th day of the year, 153 days after the 15th of March (15/3)!

President G. W. Bush's "enthronization" took place on the 20th of January 2001 and Gulf War II started on the 20th of March 2003 in Iraq.

➡ If these dates 01/20/2001 and 03/20/2003 seem to be without apparent signification, they appear to be quite more explicative in French:

20.01/2001 and 20.03/2003

"In God we trust"

"ONE"

Considering the "9/11" Event...

As far as two black shades outline the letter "O", 3 outline the letter "N" and 4 grey shades outline the letter "E", we get a total of 9 according to the sequence 2+3+4

The second layer of shades delivers the following results:

Two grey shades outline the letter "O", 5 the letter "N" and 4 the letter "E", with a result of 11 corresponding to the sequence 2+5+4...

The 9/11/2001 corresponded to the 254th day of that year...

9:11' A.M.

21:11' P.M.

9/11 or 21/11?

We remember that:

$$\mathbf{370} = (3)^3 + (7)^3 + (0)^3 = 27 + 343 + 0$$

$$\mathbf{371} = (3)^3 + (7)^3 + (1)^3 = 27 + 343 + 1$$

$$\mathbf{407} = (4)^3 + (0)^3 + (7)^3 = 64 + 0 + 343$$

$$\mathbf{879} = (8)^3 + (7)^3 + (5)^3 = 512 + 343 + 125 = 980$$

$$1584 = (1)^3 + (5)^3 + (8)^3 + (4)^3 = 1 + 125 + 512 + 64 = 702$$

$$702 = (7)^3 + (0)^3 + (2)^3 = 343 + 0 + 8 = 351$$

$$351 = (3)^3 + (5)^3 + (1)^3 = 27 + 125 + 1 = \mathbf{153}$$

$$\mathbf{459} = (4)^3 + (5)^3 + (9)^3 = 64 + 125 + 729 = 918$$

$$918 = (9)^3 + (1)^3 + (8)^3 = 729 + 1 + 512 = 1242$$

$$1242 = (1)^3 + (2)^3 + (4)^3 + (2)^3 = 1 + 8 + 64 + 8 = 81$$

$$81 = (8)^3 + (1)^3 = 512 + 1 = 513$$

$$513 = (5)^3 + (1)^3 + (3)^3 = \mathbf{153}$$

It's high time to revisit another 21//11...

The French Louis Segond, Darby or US KJV versions (as a few examples) give a total of **153 + 153 + 153** verses if verses 9/11 and 21/11 are included.

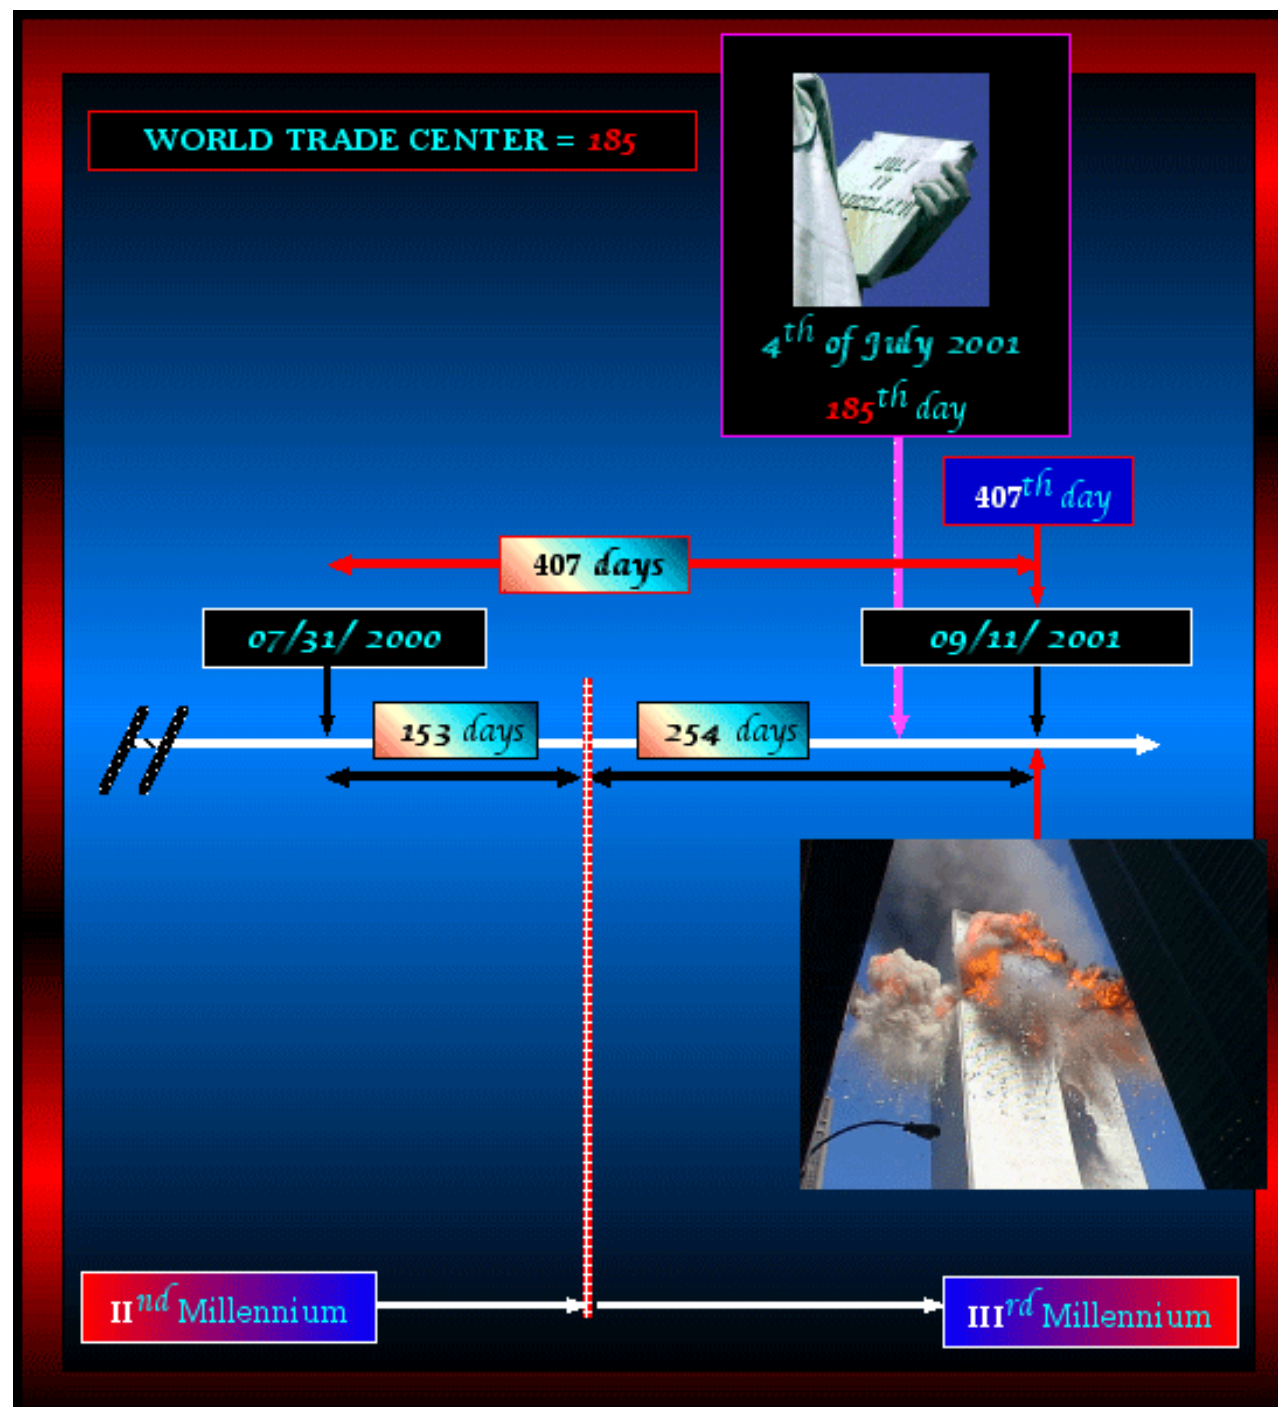

" [...] *Simon Peter went up, and drew the net to land full of great fishes, an **hundred and fifty and three**: and for all there were so many, yet was not the net broken.* ([John](#) 21/11).

extracted from a 21/9-11 reference...

9 *As soon then as they were come to land, they saw a fire of coals there, and fish laid thereon, and bread.*

10 *Jesus saith unto them, Bring of the fish which ye have now caught.*

11 *Simon Peter went up, and drew the net to land full of great fishes, an **hundred and fifty and three**: and for all there were so many, yet was not the net broken.* ([John](#) 21/9-11).

153 days before the end of the IInd Millennium added to the (9:11 WTC events) 254th day give a total amount of **407** days.

"**WORLD TRADE CENTER**" = 72 + 48 + 65 = **185**

The 4th of July 2001 was the 185th day of the 3rd Millennium...

$$254 = (2)^3 + (5)^3 + (4)^3 = 8 + 125 + 64 = 197$$

$$197 = (1)^3 + (9)^3 + (7)^3 = 1 + 729 + 343 = 1073$$

$$1073 = (1)^3 + (0)^3 + (7)^3 + (3)^3 = 1 + 0 + 343 + 27 = \mathbf{371}$$

$$371 = (3)^3 + (7)^3 + (1)^3 = 27 + 343 + 1 = \mathbf{371}$$

PAINS in **SPAIN**

911 days stand between "NYC WTC **9/11/2001** terrorism acts" and "MADRID **11/3/2001** terrorism acts".

six = 52 and **six** + **six** + **six** = 156 and **911** is the 156th prime number.

The Berlin Wall collapsed a 11th of September 1989 (**11.9**; written the French way). The 10th of March is the 69th day of a normal year and the 70th day of an overleap year. The 10th of March,

2004 (or day -297, 297= **144** (*number of angel and man, measure of the Celestial Jerusalem*) + **153** (other number attributed to Jesus Christ)).
144... months later, **9/11** would occur!!!

This date between the 69th and the 70th day reminds us what the Bible says about the "Age of Grace" or "Age of Church" which stands just in-between the 69th week and the 70th week of DANIEL PROPHECY!

In the Louis Segond version of the Bible, dated 1917, 111 occurrences of the word "distress, emergency" (*detresse* in French) occur within 110 verses, which remind us of the 110 stories of the Twin Towers that collapsed... -111 days until the end of the year 2001, and let's don't forget the "emergency number" **911**...

8 occurrences more of the word "emergencies" (plural form) occur in the Bible, making a total of... 119 occurrences (**9/11**, 11th of September), all occurring within 118 verses.

The reign of the Beast will last 1260 days, with the obligation to carry a *mark* which will also be a number, the number of a man who will rule the entire mankind. He will rule with his new kingdom, the NWO (in French "Nouvel Ordre Mondial", initials "N.O.M." (signifying "name" in French)) since the new ruler will also have a "name" ("NOM" in French)...

Our alphabet will become also ALPHA-B-E-T or ALPHA 2-5-20 (8 being the 2nd letter of the alphabet, E being the 5th letter, and T being the 20th letter of the alphabet)
 There is a TV channel (US) named BET" with the pentagonal star. No comment! <http://www.bet.com>
 "com" stands for "commercial".

"BET" and "AS" give "BEAST" in English ("BETE" in French). "AS" is French for "ACE".

In this language, this word "AS" has close ties with the "ACE" from the decks of cards. "AS" constitute also the initials of Arnold Schwarzenegger and "AS" can also be found on the Great Seal when using the existing pyramid to draw another one, thus creating a Star of David whose tips englobe, among the letters that form the word "MASON", A and S...

Jesus Christ alphanumerical value is 151. 151 is a prime number ("nombre premier" in French, alphanumerical value of "nombre premier" being.. 151) Holy Spirit is also 151

Area or ZONE 51 is Z -ONE-51. Z -ONE-51 or Z-1-51

Revelation.. 9/11 mentions two names of the Beast, ABADDON/APOLLYON = 151!

The Antichrist will be number ONE for 2520 days exactly. Notice that the UNO has become "UN" which means ONE in French. "Mais oui!"(yes, yes...)

PENTAGONE, PEN-TAG-ONE !

Pen: a pen to write with

Tag: a label, a MARK

One: a person (in this case someone to be TAGGED)

Pentagone could also mean "The one-who-tags-people"(the Pen-tag one)

More and more, our walls are being "tagged". Walls are "MURS" in French.

MURS; The "M" and "R" of the French noun "MuR" are respectively the 13th and the 18th letter of the alphabet, which sends us right to... Revelation 13/18, where the number 666 is mentioned.

Another wall is making the headlines, the Security wall in Israel (+ "Weeping wall of Jerusalem), a very controversial construction built as a protection against terrorism. This same wall is being covered with Palestinian graffiti, many of which represent the Star of David, also named the "*Star of the god Remphan*", whose cult is being condemned in the New Testament, a highly occult sign, dating back to the 15th century, and associated with the Nazi Swastika.

(*Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon.* Ac 7/43)

The French guru Rael wore this sign around his neck for 18 years, Rael, also known as His Holyness, ("Sa Saintete" in French, which initials remind us of the much famed Nazi "SS"), as an accusation against the Jewish people who is supposed to stand behind all the evil of the world. How blind can people get!

(Ephesians 13/18) speaks of "*tearing down the "Wall of Separation"*...

This surrounding wall announces somehow the *first birth pangs*, tied up with the eschatological meaning of the number 153, as the following Bible reference puts it: (1 Tim 5;3)

(Rev. 12:1-4) mentions 12 *stars*

The European flag, of Marian inspiration, with its 12 revealing yellow stars ("revealing" or in its more accurate French version "reveal-matrix"(revelatrice, revel-matrice), which "matrix" (another word for "mother" ("Mère" in French) reminds us of the blasphemous Roman dogma and epithet of the Virgin MaRy, MaRy, MeRe (mother) of God!

This title is back in the actuality with the film "**The Passion of Christ**", and is tied together with the... 12th chapter of Revelation.

"**MuR**" (Wall) has an alphanumerical value of 52

WALL (its English translation) has an alphan. value of 53

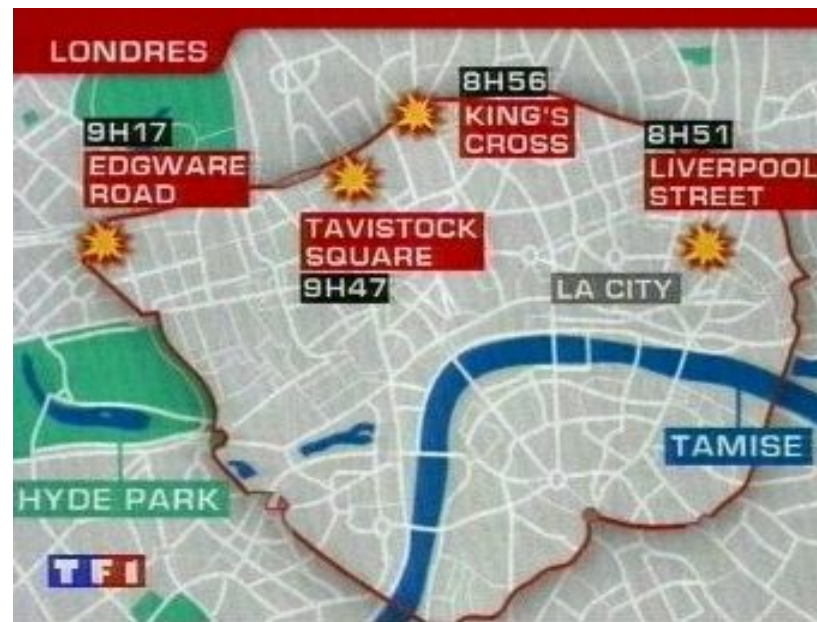

In the Bible, (Eze 42:20), a wall marks the separation between the sacred and the profane. "Wall" is mentioned 4 times in Rev. vv.24:12-17, also its length, which is **144** cubits, "the measure of man and angel".

The 2 different dating ways, the French way (the **11/9** dating way) and the anglo-saxon way (the **9/11** dating way) both reveal a worldwide conspiracy, meant to lead toward the final FOURTH REICH. This movment's most important date, it's so-to-say an occult "HOLY DATE" started with Hitler and his dram to destroy Christianity and was celebrated on the 9th of November, (**9/11**), in commemoration of the "**Beer Hall Putsch**" of 1923.

153 days separate July from the end of each year. And if we consider "J" for "Juillet/July", "A" for "Août/August", "S" for "Septembre/September", "O" for "Octobre/October" and "N" for "Novembre/November", this "JASON/JONAS" sign period is exactly **153** days long.

Tony Blair came to the presidency of the UE Council on the 1^{rst} of July 2005 and the **153rd** hour of this "JASON" period has been darkened with the London July 7th tube and bus bombings.

7/7/05 TV TF1 Evening news screen capture

The bombings occurred between 8:51 and 9:47, **153rd** and 154th French local time. One hour has to be cut off from the French hour to get the GMT local time. The summer time is two hours ahead the sun.

As a consequence, the bombing times become [**153rd**/154th] or [151st/**153rd**] solar time in France and [152nd/**153rd**] or [150th/151st] solar time in England.

Bible and Numbers

End Times Interpreted with the Help of the Bible, Numbers, and the French Language,

by Anne E. Crews and Gérard Colombat (author of this website)

"Was 9/11 supposed to happen, and is it related to the Rapture of the Christian Church? If so, how? Are all world events based on a coded numerical system, and if so, to whom does the coded numerical system point...the MESSIAH Jesus Christ? Bible and Numbers is a factual attempt to answer these lingering questions. Based on over thirty years of research by author Gérard Colombat, authors Anne E. Crews and Colombat proffer an intelligent and insightful theory in their quest for biblical truth. By juxtaposing a numerical system based on the modern calendar, sacred Bible numbers, and the phonetics and numerics of the French language, Colombat and Crews seek to define the occurrences of past events in conjunction with the present, offering that through the Bible and Numbers, questions of the future can be answered today.
