

## About the number 108

- In the Old Testament, the 108<sup>th</sup> verse in Genesis reveals a major blessing as far as it is about the creation of man and woman :

" [...] *Male and female created he them; and blessed them, and called their name Adam, in the day when they were created.* ([Gen](#) 5/2).

- In the New Testament, the 108<sup>th</sup> verse in the [Matthew](#)'s gospel is of a major importance with a notion of achieved plenitude and complete fulfillment of the Holy Scriptures :

" [...] *For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.* ([Mt](#) 5/18).

- It is in this verse that appears the only occurrence of the word " jot ".

To continue with some symbolic values often used in esoterism:

- The earth cycle is supposed to be of 2160 years = 20 x 108

- The Buddhist rosary, where from is inspired the rosary of the Moslems, then straight-away as an inheritance of crusades by (" [Our lady worshiping](#) ") Catholics, is constituted of 108 fragments of distinctive different human skulls .

- 108 sacred books constitute the holy Writings for Tibetans.

- According to the Chinese tradition, it is necessary to walk for " 108000 LI " to reach wisdom

and:

$$108\ 000 \times \text{" LI " } = 108\ 000 \times 576 \text{ m} = 62208 \text{ km}$$

- In French or English, (if A = 1, B = 2), the alphanumeric addition of the letters of the word " kilometre " or " kilometer " gives **108**
- It is also a **revealing principle** because, as an example and according to the Judeo - Christian calendar, if **108** + **151** = 259, the 259<sup>th</sup> day of a leap year is also in the [-**108**] day.

Important remark:

sign (-) is not at all " negative " in that specific case of figure . It is only a calendar position related to a countdown.

- The last ostension of the [Holy Shroud](#) was at first forecast from April 18 to May 31, 1998, which are respectively the **108**<sup>th</sup> and **151**-th day of the year. It was prolonged until June 14, 1998.
- A leap year displays 366 days and 3 x 6 x 6 give **108**.

Considering that the number **108** corresponds also to the following sequences:

$$[6]^2 + [6]^2 + [6]^2$$

or

$$36 + 36 + 36$$

the **108**<sup>th</sup> hour of February falls in the middle of the 36<sup>th</sup> day.

The tenth of August (every year) corresponding to " **10.8** " (according to the French datation system), stands at **144** days from the end of any (leap or not) year .

- The number **108** amounts to  $3/4$  of the number **144**

$$144\ 000 - 144 = [108 + 108] \times 666$$

$$144\ 000 : [108 + 108] = 666 + 144$$

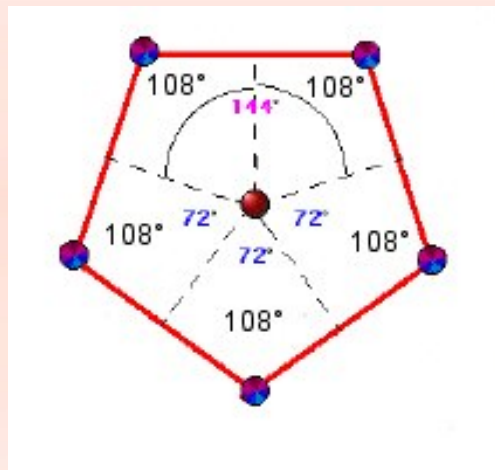

and as far as **108** =  $[6]^2 + [6]^2 + [6]^2$

$$\rightarrow 144\ 000 - 144 = [108 + 108] \times 666$$

$$\rightarrow 144\ 000 : [108 + 108] = 666 + 144$$

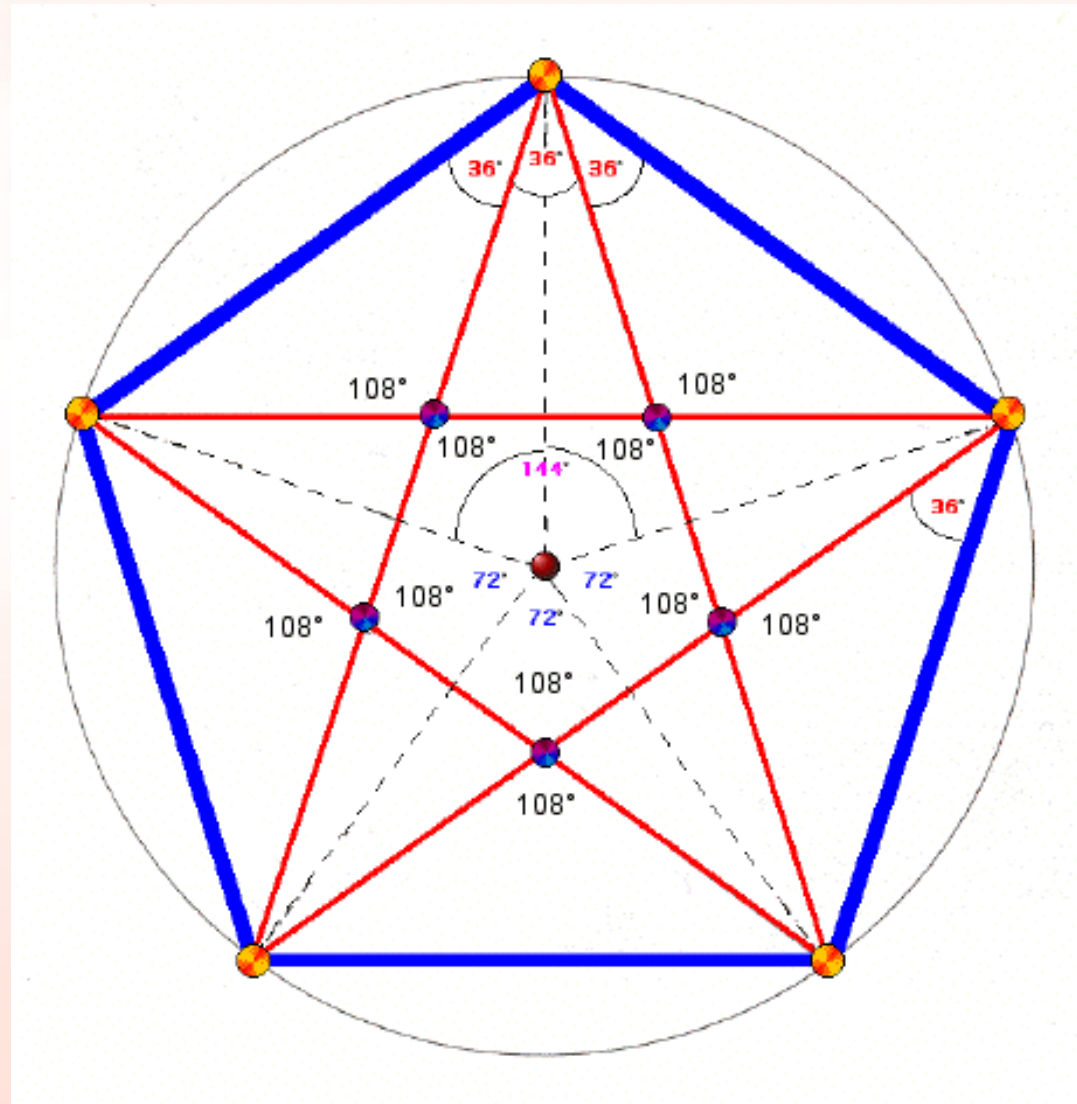

$$\rightarrow 144\ 000 - 144 = [[6]^2 + [6]^2 + [6]^2] + [[6]^2 + [6]^2 + [6]^2] \times 666$$

$$\rightarrow 144\ 000 : [[6]^2 + [6]^2 + [6]^2] + [[6]^2 + [6]^2 + [6]^2] = 666 + 144$$

From a more general point of view:

- The frequency of radioelectric waves used for broadcasting on the FM band is set between 88 and **108** MHz.
- The **Vedanta**, according to the Hinduist tradition, recognizes **108** authentic doctrines (Upanishad) aiming to approach the Truth and to destroy Ignorance.

These few remarks about the number **108** seem totally unstitched. They allow however to **highlight** this number as a major principle of revelation which enables to establish the " positive " or " negative " character of certain " hidden " links or considered as to be so.

As a consequence, this number is quite unavoidable to study and understand those that are treated during the following chapters.

**Table of the first hundred multiples of number 108:**

108 x	1 =	<b>108</b>	108 x	35 =	<b>3780</b>	108 x	69 =	<b>7452</b>

108 x	31 =	3348	108 x	65 =	7020	108 x	99 =	10692
108 x	32 =	3456	108 x	66 =	7128	108 x	100 =	10800
108 x	33 =	3564	108 x	67 =	7236	...		
108 x	34 =	3672	108 x	68 =	7344			

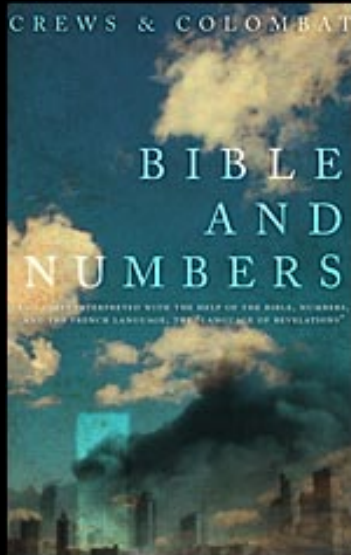

**! Warning:** the use or any particular attention given to figures or to numbers (considered as lucky ones or signs of misfortune) reveals superstitious beliefs or convictions in touch with magical practice and are strictly condemned in the Holy Scriptures.

108 symbols can be spotted on each foot of this Buddha

## Bible and Numbers

End Times Interpreted with the Help of the Bible, Numbers, and the French Language,

by Anne E. Crews and Gérard Colombat (author of this website)

"Was 9/11 supposed to happen, and is it related to the Rapture of the Christian Church? If so, how? Are all world events based on a coded numerical system, and if so, to whom does the coded numerical system point...the MESSIAH Jesus Christ? Bible and Numbers is a factual attempt to answer these lingering questions. Based on over thirty years of research by author Gérard Colombat, authors Anne E. Crews and Colombat proffer an intelligent and insightful theory in their quest for biblical truth. By juxtaposing a numerical system based on the modern calendar, sacred Bible numbers, and the phonetics and numerics of the French language, Colombat and Crews seek to define the occurrences of past events in conjunction with the present, offering that through the Bible and Numbers, questions of the future can be answered today. "
